Great Kei WEF Part 2 Amendment Specialist Input

Umlando undertook the heritage survey for the proposed Great Kei WEF in 2014. Subsequent to the initial report a few changes have been made to the design of the proposed windfarm.

The impacts of the changes remain the same as with the original design. There are no cumulative impacts. They are as follows:

1. Effect on current impacts: None
2. Effect on mitigation measures: None
3. Effect on current EA Conditions: None
4. Effect on cumulative impacts: None

Yours Sincerely
